

**INDEX OF TOPICS DISCUSSED DURING THE RULEMAKING**

A

	Section and Page
Abandon ship and man overboard drills and training.....	IV-288
Accidents to machinery .....	IV-263
Accommodation space, definition .....	IV-11, IV-13, IV-16
Additional tests and inspections .....	IV-52
Advisory Committee.....	III-26
Alcohol consumption.....	III-31
Alternate design considerations.....	IV-64
Alternative requirements for a vessel operating as other than a small passenger vessel .....	IV-28
Alternative standards .....	IV-17
Alternative standards for small vessels.....	III-19
Americans with Disabilities Act of 1990.....	III-25
Appeals .....	IV-19
Applicability .....	III-4
Applicability to existing vessels:	
Construction and arrangement.....	IV-54
Fire protection equipment.....	IV-173
Lifesaving equipment.....	IV-142
Operations.....	IV-261
Vessel control and miscellaneous systems and equipment.....	IV-242
Approved equipment and material.....	IV-21
Area of refuge, definition.....	IV-11
Assistance for Small entities.....	VI-22
Assumed weight and vertical center of gravity of each person .....	V-4
Atrium, definition .....	IV-12, IV-15
Atriums .....	IV-94
Authority changes .....	III-4
Auxiliary machinery .....	IV-195
Auxiliary machinery space, definition.....	IV, 12, IV-16
Auxiliary means of steering.....	IV-220
Auxiliary sailing vessel, definition.....	IV-5

B

Balconies.....	IV-92
Balcony, definition.....	IV-12
Batteries .....	IV-233
Battery categories .....	IV-234
Battery installation.....	IV-235
Bilge and ballast systems, general .....	IV-214

Bilge high level alarms .....	IV-218
Bilge piping system .....	IV-215
Bilge pumps .....	IV-215
Breakpoints .....	III-4
Bulkhead, collision .....	IV-131, IV-134, V-11
Bulkheads, watertight (Part 179) .....	IV-136

## C

Cable and wiring .....	IV-232
Calculations required, sailing vessels .....	V-5
Carburetors.....	IV-199
Cargo space, definition .....	IV-5, IV-12
Carriage of hazardous materials .....	IV-269
Casualty, notice of .....	IV-261
Casualty data.....	II-8
Ceilings, linings, interior finish and decorations .....	IV-77
Certificate of inspection:	
Description.....	IV-23
How to obtain or renew .....	IV-23
Passengers permitted.....	IV-27
Period of validity .....	IV-24
Routes permitted.....	IV-25
When required.....	IV-22
Certification expiration date stickers .....	IV-37
Changing scope of operation .....	II-6
Char length, definition .....	114.400
Charts .....	IV-251
Class 1 doors, permissible locations .....	V-6
Class 3 doors, required locations .....	V-7
Coast Guard District Commander, definition .....	114.400
Coast Guard policy .....	III-29
Coastwise, definition .....	IV-5
Cold water, definition .....	IV-13
Collection of information.....	VI-23
Collision bulkhead .....	IV-131, IV-134, V-11
Commandant, definition .....	IV-6
Compass.....	IV-246
Compressed natural gas (CNG) .....	IV-244
Conduct of an Inspection for Certification .....	IV-16
Cooking and heating:	
Equipment.....	IV-243
Gas systems.....	IV-244
General.....	IV-243
Restrictions .....	IV-243
Corrosion-resistant material, definition .....	IV-6

Consolidation of regulations .....	III-3
Construction and arrangement, General provisions.....	IV-54
Crew accommodations.....	IV-107
Crew and passenger list .....	IV-272
Crew training .....	IV-270

## D

Damage stability (Part 179) .....	IV-131, IV-133
Damage stability requirements for multihull vessels.....	V-11
Damage stability standards for vessels with Type I or Type II subdivision.....	V-11
Damage to pressure vessel .....	IV-263
Deck rails .....	IV-111
Definitions .....	IV-5
Derivation table.....	VI-28
Development in hull material and vessel designs.....	II-7
Development of proposed regulations .....	II-13
Diesel:	
Engine cooling .....	IV-200
Engine exhaust cooling.....	IV-202
Engine exhaust pipe installation .....	IV-203
Fuel supply piping .....	IV-209
Ventilation of machinery spaces.....	IV-213
Distress flares.....	IV-146
Distribution panels and switchboards .....	IV-231
Doors.....	IV-88
Design, operation, installation, and testing.....	V-7
Doors, loading.....	IV-268
Draft, definition .....	IV-6
Drainage of weather decks.....	IV-125
Calculation of drainage .....	IV-127
Cockpit vessels .....	IV-126
Well deck vessels.....	IV-126
Drills and training:	
Abandon ship and man overboard .....	IV-288
Fire fighting .....	IV-291
Dripproof, definition.....	IV-5
Drug testing.....	III-27
Drug use by individuals directly involved in casualties .....	IV-263
Drydock and internal structural exam.....	IV-40
Extension of examination interval .....	IV-45
Notice and plans required .....	IV-44
Scope.....	IV-44
Dynamically supported craft.....	III-9
Dynamically supported craft, definition .....	IV-5

## E

Electrical installation:	
Batteries .....	IV-233
Battery categories .....	IV-234
Battery installation.....	IV-235
Cable and wiring requirements .....	IV-232
Distribution panels and switchboards .....	IV-231
Dual voltage generators .....	IV-230
Flood lights for lifeboats and life rafts.....	IV-240
General safety provisions.....	IV-227
Generators and motors .....	IV-229
Grounded distribution systems .....	IV-336
Hazardous locations .....	IV-240
Lighting systems .....	IV-238
Overcurrent protection.....	IV-237
Power sources .....	IV-228
Power sources for vessels over 65 feet .....	IV-229
Semiconductor rectifier systems .....	IV-236
System equipment and grounding.....	IV-236
Radiotelephone installations .....	IV-237
Electronic position fixing devices.....	IV-250
Embarkation ladders .....	IV-157
Embarkation station .....	IV-100
Emergency broadcast placards.....	IV-253
Emergency equipment .....	IV-260
Emergency evacuation plan .....	IV-101
Emergency instructions.....	IV-285
Recommended format .....	IV-285
Emergency lighting.....	IV-239
Emergency Position Indicating Radiobeacon (EPIRB) .....	IV-142
Testing and maintenance .....	IV-296
Engine cooling .....	IV-200
Environment.....	VI-26
Equivalency for voyages to the Bahamas .....	IV-53
Equivalents.....	IV-18
Escape, means of.....	IV-96
Executive Order 12866 .....	III-28
Exemption Certificate (SOLAS).....	IV-53
Exhaust cooling.....	IV-202
Exhaust pipe installations .....	IV-203
Existing vessels.....	III-22
Exposed waters (relating to Great Lakes).....	IV-13
Extensive policy guidance .....	II-11

## F

Fathometer .....	IV-250
Federalism.....	VI-25
Fire ax .....	IV-193
Fire bucket .....	IV-193
Fire control boundary, definition .....	IV-12
Fire control plan.....	IV-104
Fire extinguishers, portable:	
Installation and location.....	IV-193
Required number, type, and location .....	IV-191
Fire fighting drills and training .....	IV-291
Fire load .....	IV-12
Fire main system:	
Fire hoses and nozzles .....	IV-178
Fire main and hydrants .....	IV-178
Fire pumps .....	IV-175
Fire protection (Structural):	
Application.....	IV-66
Ceilings, linings, trim, interior finish and decorations .....	IV-77
Deck coverings .....	IV-82
Doors.....	IV-88
Fire control boundaries .....	IV-71
Fire load of accommodation and service spaces.....	IV-83
Furniture and furnishings.....	IV-80
General.....	IV-64
General arrangement and outfitting .....	IV-66
Stairtowers, stairways, ladders, and elevators .....	IV-89
Structural fire protection (T-boats).....	IV-69
Windows and air ports in fire control boundaries.....	IV-86
Fire protection equipment, general:	
Applicability to existing vessels .....	IV-173
Approved type.....	114.800
Installed but not required .....	IV-175
Fire pumps .....	IV-175
First aid kits .....	IV-258
Fixed ballast .....	IV-129
Fixed fire extinguishing and detecting systems:	
When required.....	IV-180
Fixed gas fire extinguishing systems .....	IV-187
Pre-engineered .....	IV-190
Five year rule .....	IV-61
Foam flotation material.....	IV-133
Freeing port, definition .....	IV-6
Fuel piping .....	IV-209
Fuel systems (Portable).....	IV-211
Fuel tanks:	

Fill and sounding pipes .....	IV-208
Independent.....	IV-205
Integral .....	IV-205
Vent pipes .....	IV-209

## G

Galley, definition .....	IV-12
Galley hood fire extinguishing systems.....	IV-191
Gasoline, ventilation of compartments containing machinery or fuel tanks .....	IV-212, IV-268
General alarm systems .....	IV-241
General applicability .....	IV-1
General comments to proposed regulations.....	Section III
Generators and motors .....	IV-229
Generators, dual voltage .....	IV-230
Generators, multiple.....	IV-230
Grandfathering .....	III-22
Great Lakes, definition .....	IV-6
Gross tonnage as criterion for requirements .....	IV-4
Grounded distribution system.....	IV-236
Ground tackle and mooring lines.....	IV-245
Guards for exposed hazards .....	IV-114

## H

Harbor of safe refuge, definition.....	IV-6
Hardwood, definition .....	IV-13
Hazardous condition, definition.....	IV-12, IV-14
Hazardous locations.....	IV-240
Heating and cooking:	
Equipment .....	IV-243
Gas systems.....	IV-244
General.....	IV-243
Restrictions .....	IV-243
High risk service space, definition.....	IV-12, IV-16
High Speed Craft.....	III-9
High Speed Craft, definition .....	IV-14
History of regulations .....	II-3
Hull markings.....	IV-292
Hull structure .....	IV-59
Hydrostatic release units, servicing .....	IV-296

## I

Incorporation by reference.....	IV-19
Increase in vessel size and capacity .....	II-5

Inflatable survival craft:	
Placards .....	IV-287
Servicing .....	IV-296
Index for proposed rules .....	III-27
Initial inspection for certification .....	IV-37
Inspections and testing prior to hot work.....	IV-46
Insulation other than for structural fire protection.....	IV-86
Intact stability and seaworthiness (Part 178).....	IV-118
Intact Stability Requirements for a Sailing Vessel or an Auxiliary Sailing Vessel.....	V-9
Internal communication systems.....	IV-253
International voyage, definition.....	IV-7

## K

Keel and grid cooler installation.....	IV-201
--	--------

## L

Large .....	IV-7
Large vessels, specific provisions for .....	III-17
Length, definition.....	IV-7
Length between perpendiculars (LBP), definition.....	IV-9
Life jacket lights .....	IV-153
Life jacket placards .....	IV-287
Life jackets.....	IV-150
Life jackets, cork and balsa.....	IV-152
Life jackets, stowage of .....	IV-154
Life jackets, wearing of .....	IV-282
Lifesaving equipment and arrangements:	
Applicability to existing vessels .....	IV-142
Applicability to vessels on an international voyage .....	IV-141
Embarkation arrangements, survival craft .....	IV-157
For vessels in lakes, bays, and sounds service.....	IV-170
For vessels in ocean service.....	IV-169
For vessels in coastwise service.....	IV-169
For vessels in limited coastwise service .....	IV-169
For vessels in river service.....	IV-170
Life jackets.....	IV-150
Marking.....	IV-293
Organization of Part 180.....	IV-141
Pyrotechnic distress signals .....	IV-146
Rescue boats .....	IV-170
Ring life buoys and water lights .....	IV-148
Stowage of life floats and buoyant apparatus .....	IV-157
Stowage of life jackets .....	IV-154
Stowage of survival craft .....	IV-154

Subchapter W.....	IV-141, IV-142
“Very Large” small passenger vessels.....	IV-141
Light, portable.....	IV-239
Lighting, emergency.....	IV-239
Lighting systems.....	IV-238
Lights, navigation.....	IV-238
Lightweight verification.....	V-6
Liquefied petroleum gas (LPG).....	IV-244
List of subjects.....	VI-27
Load lines.....	IV-3
Loading doors.....	IV-268
Logbooks.....	IV-264
Low risk service space, definition.....	IV-16

## M

### Machinery installation:

Alternative standards (T-boats).....	IV-195
General provisions.....	IV-195
Auxiliary machinery.....	IV-197
Machinery requirements, specific:	
Carburetors.....	IV-199
Engine cooling.....	IV-200
Exhaust cooling.....	IV-202
Exhaust pipe installation.....	IV-203
Fuel tanks, independent.....	IV-205
Fuel tanks, integral.....	IV-205
Fuel restrictions.....	IV-198
General requirements.....	IV-198
Keel cooler installations.....	IV-201
Pipes, filling and sounding.....	IV-208
Pipes, vent.....	IV-209
Piping, fuel.....	IV-209
Portable fuel systems.....	IV-211
Machinery spaces, definition.....	IV-9
Major conversion, definition.....	IV-12, IV-14
Man overboard drills and training.....	IV-288
Marine sanitation devices.....	IV-257
Marking required:	
Escape hatches and emergency exits.....	IV-295
Hull markings.....	IV-292
Lifesaving gear.....	IV-293
Portable watertight container for distress flares and smoke signals.....	IV-295
Manning.....	III-25
Material inspections.....	IV-46
Fire protection.....	IV-49

Hull .....	IV-47
Lifesaving .....	IV-49
Machinery .....	IV-48
Pressure vessels and boilers .....	IV-51
Means of escape .....	IV-96
Means of escape, definition .....	IV-13, IV-14
Metric equivalents .....	III-26
Mooring equipment .....	IV-245
Muster stations .....	IV-101

## N

National Transportation Safety Board .....	III-30
Nautical publications .....	IV-251
Navigation equipment .....	IV-245
Navigation lights .....	IV-238
Navigation underway .....	IV-265
New vessel, definition .....	IV-15
Notice of casualty .....	IV-261
Notice of deficiencies and requirements .....	IV-17
NVIC 11-83 .....	III-18

## O

Oceans, definition .....	IV-9
Official logbook for foreign voyages .....	IV-264
Oil pollution prevention equipment and procedures .....	IV-257
OMB control numbers .....	VI-23
Openings in the Side of a Vessel Below the Bulkhead or Weather Deck (Part 179) .....	IV-137
Operating routes .....	III-27
Operating station, definition .....	IV-9
Operating station visibility .....	IV-116
Operational Readiness, Maintenance, and Inspection of Lifesaving Equipment .....	IV-295
Operations .....	IV-261
Organization of revised regulations .....	III-1
Overcurrent protection .....	IV-237
Overspeed trips .....	IV-195
Overnight accommodations (crew) .....	IV-108
Overnight accommodations (space), definition .....	IV-10

## P

Pantry, definition .....	IV-15
Passenger, accommodations .....	IV-108
General .....	IV-108
Overnight accommodations .....	IV-109

Seating .....	IV-110
Passenger count.....	IV-276
Passenger, definition.....	IV-13
Passenger for hire, definition .....	IV-13
Passenger safety bill.....	IV-286
Passenger safety orientation.....	IV-278
Passenger Ship Safety Certificate .....	IV-52
Passengers excluded from the operating station .....	IV-267
Permission for repairs and alterations.....	IV-45
Permit to carry excursion party.....	IV-35
Permit to proceed .....	IV-34
Piping materials, nonferrous metallic .....	IV-225
Piping materials, nonmetallic .....	IV-223
Piping systems .....	IV-222
Vital systems.....	IV-223
Plans and information required.....	IV-55
Plans for sister vessels .....	IV-58
Portable light.....	IV-239
Portable fuel systems .....	IV-211
Posting:	
Certificate of inspection.....	IV-36
Convention certificates .....	IV-36
Placards containing instructions for launching and inflating inflatable life rafts.....	IV-287
Stability letters .....	IV-36
Pontoon Boats, definition .....	IV-10
Pontoon vessels on protected waters, stability standards for.....	IV-124
Power sources .....	IV-228
Power sources on vessels of more than 19.8 meters (65 feet) in length.....	IV-229
Pre-engineered fixed gas fire extinguishing systems.....	IV-190
Preparation for emergencies .....	IV-272
Pressure vessels, damage to.....	IV-263
Propulsion engine control system.....	IV-256
Propulsion machinery .....	IV-195
Public address system.....	IV-254
Pumps:	
Bilge.....	IV-215
Fire, power.....	IV-175

## R

Radar.....	IV-247
Radio.....	IV-252
Requirements of the FCC.....	IV-252
Radiotelephone installations .....	IV-237
Reason for revision .....	II-5
Recommended emergency instruction format .....	IV-285

Records, retaining of voyage .....	IV-263
Reference changes .....	II-11
Regulatory assessment.....	VI-1
Regulatory Revision History .....	II - 2
Reports when state of war exists.....	IV-264
Restrictions, cooking and heating.....	IV-243
Reinspection.....	IV-39
Scope.....	IV-40
When required.....	IV-39
Rescue boat .....	IV-170
Right of appeal.....	IV-19
Ring life buoys.....	IV-148
Risk .....	III-31

## S

Safety areas, definition .....	IV-13
Sailing vessel, definition.....	IV-10
Sailing vessels.....	IV-63
Sailing vessels, calculations required (stability).....	V-5
Satisfactory service as a design basis (5 year rule).....	IV-61
Scupper, definition.....	IV-10
Semiconductor rectifier systems .....	IV-236
Significant casualties .....	II-10
Sister vessels, plans for.....	IV-58
Small entities.....	VI-17
Assistance for.....	VI-22
Small passenger vessel fleet .....	II-4
Small vessel exclusion .....	V-5
Small vessels, alternative standards for .....	III-19
Spacing of main watertight bulkheads.....	V10
Special consideration .....	IV-18
Specific provisions for large vessels.....	III-17
Specific vessel types .....	III-20
Stability:	
Application Based on Length, Passenger Capacity, and Propulsion (Part 178).....	IV-120
Booklet (Part 178).....	IV-119
Calculations required (sailing vessels) .....	V-5
Criterion for vessel of unusual proportion and form .....	V-6
General .....	V-1
Letter or Certificate of Inspection Stability Details (Part 178).....	IV-119
Lightweight verification .....	V-6
Intact requirements for a sailing catamaran.....	V-10
Intact requirements for a sailing vessel (Part 178)	
Intact requirements for a sailing vessel or an auxiliary sailing vessel.....	V-9

Intact requirements for mechanically propelled and non-self-propelled vessels (Part 178) .....	IV-122
Intact standards (Part 178) .....	IV-120
Rail crowding criteria .....	V-9
Requirements for all vessels .....	V-3
Applicability .....	V-3
General terms .....	V-3
Definitions concerning a vessel .....	V-3
Definition of LBP .....	V-4
Simplified proof test (Part 178) .....	IV-122
Small passenger sailing vessels .....	V-10
Special rules pertaining to vessels carrying passengers .....	V-8
Definitions .....	V-8
Standards for pontoon vessels on protected waters .....	IV-124
Watertight integrity above the margin line in a vessel of 100 gross tons or more .....	V-11
Stairtower, definition .....	IV-13
Stairtowers, stairways .....	IV-89
Station bill .....	IV-285
Statutory changes .....	II-5
Steering, auxiliary mean of .....	IV-222
Steering gear, main (T-boats) .....	IV-220
Steering systems .....	IV-220
Structural design, hull .....	IV-59
Structural fire protection (T-boats) .....	IV-69
Structural fire protection for dynamically supported craft .....	IV-96
Structural fire protection for vessels with overnight accommodations for more than 49 passengers. ....	IV-95
Subsequent Inspection for Certification .....	IV-38
Substance of marine casualty notice .....	IV-263
Supplementary information .....	II-1
Subchapter Q .....	III-29
Subdivision:	
Bottom damage requirements for longitudinally subdivided vessels .....	V-10
General .....	V-1
Spacing of main watertight bulkheads .....	V-10
Special requirements for vessels on international voyages .....	IV-140
Watertight bulkheads .....	IV-132
Submersible passenger vessels .....	III-21
Survival craft embarkation arrangements .....	IV-157
Survival craft equipment .....	IV-159
Survival craft - general .....	IV-168
Survival craft launching arrangements .....	IV-157
Survival craft, number and type .....	IV-159
Survival craft--vessels operating on coastwise routes .....	IV-169
Survival craft--vessels operating on lakes, bays, and sounds routes .....	IV-170
Survival craft--vessels operating on limited coastwise routes .....	IV-169

Survival craft--vessels operating on oceans routes.....	IV-169
Survival craft--vessels operating on rivers routes .....	IV-170
Switchboard, definition.....	IV-10

T

Tailshaft examinations.....	IV-45
Technological advances.....	II-7
Toilet.....	IV-110
Too many regulations .....	III-30
Tonnage measurement .....	III-27
Trunks (Part 179).....	IV-137

U

Uninspected vessels .....	III-21
---------------------------	--------

V

Ventilation:	
Compartments containing diesel machinery.....	IV-213
Compartments containing gasoline machinery or fuel tanks.....	IV-212, IV-268
Enclosed or partially enclosed spaces.....	IV-104
Ventilation ducts .....	IV-106
Vessel casualties .....	II-8
Vessel control and miscellaneous systems and equipment.....	IV-242
Applicability to existing vessels .....	IV-242
Vessels not more than 65 feet carrying not more than 12 passengers .....	IV-62
Voyage plan .....	IV-274, IV-275

W

Washrooms and toilets.....	IV-110
Watchmen .....	IV-269
Water heaters .....	IV-197
Watertight bulkheads, spacing of (subchapter S) .....	V-10
Watertight bulkheads for subdivision (Part 179).....	IV-132, IV-136
Watertight doors .....	IV-136
Watertight, definition.....	IV-5
Watertight integrity.....	IV-116, IV-131, IV-138
Watertight integrity above the margin line in a vessel of 100 gross tons or more .....	V-11
Wearing of lifejackets .....	IV-282
Weathertight, definition .....	IV-5, IV-10
Well deck vessel, definition.....	IV-11
Windows and air ports in fire control boundaries.....	IV-86
Window construction and visibility.....	IV-115

Safety glazing materials.....	IV-115
Strength.....	IV-116
Wood vessel, definition .....	IV-16
